

- ❄ Non-Toxic
- ❄ Melts snow and ice faster than any granular product.
- ❄ Eliminates tracking salt and sand inside.
- ❄ Does not leave white stains caused by traditional salting methods.
- ❄ Protects against re-freezing and black ice.
- ❄ Fast-acting liquid product starts working immediately, melts snow and ice in as little as 30 seconds.
- ❄ 25X more effective than salt.
- ❄ Penetrates ice and snow on contact for pre & post treatments.
- ❄ Works on concrete, sidewalks, driveways, wheelchair ramps & other outdoor surfaces.
- ❄ Protecting against slips, freezing, refreezing and black ice.
- ❄ No more salt and sand, no more mess.
- ❄ Much safer alternative for children, pets, vehicles & concrete surfaces.
